AMENDMENT

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Amendment was previously filed in response to the final rejection in the Office Action dated December 31, 2003, but was not entered because the proposed amendments to claims 32, 58, 72, and 98 would still contain an undefined variable. Applicants request entry of the following amendment upon revival of this application. This Amendment varies from the previously filed Amendment in that this Amendment corrects claims 32, 58, 72, and 98.

Except for one claim that is amended to correct a typographical error, the modified claims have been amended to address a Section 112, first paragraph, rejection. The nature of the amendment is discussed in the Remarks section below.
